# WE PERFECTLY UNDERSTAND THE NEEDS OF OUR BUSINESS PARTNERS

## Experience

Thermoplast company was established in Poland in 1989 as a Polish-Swiss registered partnership which specialized in production of plastic profiles for industrial purposes. From that moment on the company has been constantly gaining experience in designing and constructing tools for extrusion of plastics.

Nowadays Thermoplast operates with the highest standards in management and production. As a result, Thermoplast is a recognized and renowned market brand, as well as a valued and trustworthy business partner.

## Extensiveness

Thermoplast is a partner who extensively carries out individual orders from its clients, from the design and construction of tools, through creation of a prototype, to extrusion of the profile and its further processing, as well as just-in-time delivery. Thermoplast's engineers, technicians and technologists work is based on understanding and analysis of our clients' needs, devising and designing optimal solutions for them and attention to every detail which is precisely defined.

# THERMOPLAST PRICE TO QUALITY RATIO IS IDEAL

## Innovation

Thermoplast aims at delivering innovative solutions for the company's business partners.

It carries out orders for profiles of the most atypical shapes and functions for various branches of industry, creating unique profiles which meet their clients' expectations as far as their material, size and functionality requirements.

## Quality

In 1999 Thermoplast achieved ISO 9001:2008 certificate and since then all the production processes have been accordingly certified. Thermoplast's products meet all the criteria of laboratory control, from materials, through ongoing production, to the final product. Modern production lines which operates 24 hours a day, superior quality, consulting and servicing are foundations for the position of Thermoplast in the market.

We present only selected, exemplary profiles applicable in the field of sales support and shop equipment are shown.

We specialize in producing of plastics profiles by extrusion method, on individual orders from our clients.

We will create an original and atypical profile for you in accordance to your expectations, or we will suggest a similar one from our offer of standard technical profiles, suitable to your needs. Among our products you will find several hundreds of technical profiles and our offer is constantly growing.

Our profiles can be used in the following fields:

- refrigeration equipment
- air conditioning – ventilation – air purification
- construction and building
- construction of machinery and equipment
- electrical and lighting industry
- sales collateral
- plant and office equipment
- furniture industry

The employment of 23 modern production lines of diverse processing capacities (machines with performance from 5 kg/h to 450 kg/h), application of a wide variety of plastics (PVC, ABS, PP, PC, PMMA, PE, PS, PA, SAN, ASA, thermoplastic elastomers), our own division of tool construction, an R&D division and Quality Control division which operates on the highest standards effect in our clients receiving products which are always of the highest quality.

All our products are in accordance to the EU norms.

## AP 466

### SLATWALL PROFILE

MATERIAL	HARD PVC (PVC-U)
COLOUR	WHITE / BLACK / GRAY
LENGTH	3 / 4 / 6 [M]
PACKAGING	50 PCS IN PE FOIL / 500-2400 PCS ON WOODEN PALETTE 0.8 M X 0.8 M X LENGTH

## AP 488

### SLATWALL PROFILE

MATERIAL	HARD PVC (PVC-U)
COLOUR	WHITE / BLACK / GRAY
LENGTH	3 / 4 / 6 [M]
PACKAGING	50 PCS PE FOIL / 500-2400 PCS ON A WOODEN PALETTE 0.8 M X 0.8 M X LENGTH

## AP 486

### LEDS COVER PROFILE

This profile creates a modular system with the AP 487 profile. Used in outdoor advertising on buildings.

MATERIAL	POLYMETHYL METHACRYLATE (PMMA)
COLOUR	MILKY (OPALINE) / GREEN / RED / YELLOW
LENGTH	3 / 4 / 6 [M]
PACKAGING	400 PCS ON WOODEN PALETTE 0.8 M X 0.8 M X LENGTH

## AP 487

### MOUNTING PROFILE FOR LED COVER

This profile creates a modular system with the AP 486 profile.

MATERIAL	HARD PVC (PVC-U)
COLOUR	TRANSPARENT
LENGTH	3 / 4 / 6 [M]
PACKAGING	LOOSE PACKAGING ON WOODEN PALETTE (2268 M – 756 PCS OF 3 M)

## AP 628

### LED COVER PROFILE

This profile creates a modular system with the AP 683 profile.

MATERIAL	POLYMETHYL METHACRYLATE (PMMA)
COLOUR	YELLOW / RED / GREEN
LENGTH	3 / 4 / 6 [M]
PACKAGING	MAX OF 96 PCS ON WOODEN PALETTE 0.8 M X 0.8 M X LENGTH

## LED - LIGHTING PROFILES

### AP 683

#### MOUNTING PROFILE FOR LED COVER

This profile creates a modular system with the AP 628 profile.

MATERIAL	HARD PVC (PVC-U)
COLOUR	TRANSPARENT
LENGTH	3 / 4 / 6 [M]
PACKAGING	1040 PCS ON WOODEN PALETTE 0.8 M X 0.8 M X LENGTH

## PRICE TAG HOLDERS

### AP 224

#### PRICE TAG HOLDER

MATERIAL	HARD PVC (TRANSPARENT) + HARD PVC (TH COLOUR)
COLOUR	WHITE / BLUE / RED / GREEN / YELLOW
LENGTH	3 / 4 / 6 [M]
PACKAGING	25 PCS PER CARDBOARD BOX (07) 2050 PCS ON WOODEN PALETTE 0.8 M X 0.8 M X LENGTH

## AP 287

This profile creates a modular system with the AP 288 profile.

MATERIAL	SOFT PVC (PVC-P)
COLOUR	BLUE / RED / GRAY / BLACK
LENGTH	20 [M] OR 6 [M]
PACKAGING	20 M PER CARDBOARD BOX / 400 M ON EURO PALETTE OR 160 PCS ON WOODEN PALETTE 0.8 M X 0.8 M X LENGTH

## AP 288

This profile creates a modular system with the AP 287 profile.

MATERIAL	HARD PVC (PVC-U)
COLOUR	WHITE
LENGTH	20 [M] OR 6 [M]
PACKAGING	20 M PER CARDBOARD BOX / 800 M ON EURO PALETTE OR 840 PCS ON A WOODEN PALETTE 0.8 M X 0.8 M X LENGTH

## AP 484

## BUMPER PROFILES FOR CASHIER COUNTERS WITH DOUBLE-SIDED TAPE

MATERIAL	SOFT PVC (PVC-P)
COLOUR	BLUE / GRAY
LENGTH	30 [M]
PACKAGING	30 M PER CARDBOARD BOX / 1200 M ON EURO PALETTE
