

Warranty on fence tape clips of Thermoplast Technology P.S.A.

Thermoplast Technology P.S.A., Libiąż, hereby guarantees that the fence tape clip profiles with the symbols AP785, AP828, AP888 made of talc-filled and UV-stabilised polypropylene will retain their functionality for a minimum period of 5 years from the date of delivery of the products to the Buyer.

The change in colouration of the clips after five years in comparison with the colour pattern should not exceed 3 on a 5-degree grey scale according to EN 20105 - A02.

The warranty terms and conditions shall not include:

- mechanical damages to the goods and damages resulting from accidental occurrences such as fire, effects of chemical agents as well as circumstances due to force majeure,
- traces resulting from use such as scratches, contamination, abrasion,
- mechanical damages during installation and defects caused by such damages,
- damages resulting from incorrect use of the goods or use of the goods not in accordance with the instructions for installation.

The warranty terms and conditions do not cover irrelevant defects of the goods, which remain invisible after installation and during the use of the goods and do not affect its value in use.
